

Type: TAPESTRY

Origin: FRANCE
Circa: 19 Century
Size/Feet & Inches: 7'9" x 10'6"
Size/Meters: 2.36 x 3.2
Item Number: 8209

A Flemish historical tapestry from the late 19th century, featuring several aristocratic figures standing at center, with some kneeling before a queen at left, who is seated on an elevated throne. At right, a seated man shows deference to a prominent woman in the foreground, while another woman offers a gentleman a blessing in the right distance. Enclosed within a scrolling border consisting of flowering and fruiting elements. Wool with silk inlay.
